Download

Either register in advance of your rental booking or during your first use of the Bicycle Loan Scheme.

Registration

Please download the Donkey Republic app which is available on iPhone and Android devices.

Register your own profile using your company email address. Once registered, you will be able to see the bikes available to use at Harwell Campus.

Locate

All bikes are rent free for 48 hours, after which charges apply. Bikes can be collected and dropped off at designated hub locations around the Campus.

Locations

Collections/drop off at the following locations:

Quad 1 cycle shelter
Zephyr cycle shelter
STFC Reception cycle hoops
Shopping centre cycle hoops
HQ between A and C

and Go

Bicycles must be returned to one of the designated Drop Off Points on campus (a maximum of 48 hours is permitted).

Safely locking

Each cycle has a horseshoe lock that is attached to the rear seat stays, enabling the rear wheel to be locked. There is an extra chain lock fitted onto the bike that can be looped around an immovable object and then fastened with the horseshoe lock. The App on your phone controls the technology within the horseshoe lock so you can lock and unlock it.
